Forum Hydrogen Business For Climate

Belfort,
Sept. 29-30, 2021

THE HUB TO LINK

Territories Business Innovation

F R A N C E

Organised by

With support from

In partnership with

Stand alongside Hydrogen Business For Climate For Climate experts!

Hydrogen Business For Climate is a transnational forum aiming to unlock the Hydrogen Energy Transition in France and Europe.

Its mission: to connect the players in the hydrogen industry, public authorities, and prime contractors to accelerate the emergence of a hydrogen-driven Europe.

Stimulate your thinking and boost your business!

5 Plenary conferences for progress

Prospective or best practice, our highly informative conferences feature **over 30 international experts and leaders** talking about their vision, experience and passion.

2 «In-situ» visits to watch and learn

Belfort and the surrounding area is a place where the H₂ revolution is becoming a reality, and that reality brings inspiration when you visit FC-Lab (Fuel Cell Lab).

1 Networking gala evening

The perfect opportunity for speakers, exhibitors and attendees to chat a relaxed, friendly atmosphere.

8 Workshops to build the future

Led by experts and boosted by special guests, these workshops offer a chance to work together and take things further, **creating synergies to help turn ideas into reality.**

2 B2B Meetings to accelerate progress

These pre-arranged meetings are an opportunity to **really get down to business with stakeholders in the H₂ ecosystem**, either in the special B2B area or on a booth.

1 Exhibition space and 1 «start-ups & academics» corridor

30 actors who are helping to boost the hydrogen transition will be demonstrating their know-how in the ATRIA conservatory.

29 – 30 September, 2021

300 high-level executives from both the public and private sectors and businesses, as well as politicians, academics, influencers and start-ups, will gather together alongside more than 50 international experts.

Together they will work towards the same objectives:

- To shed light on the hydrogen markets
- To foster cooperation between different territories
- To initiate and accelerate the deployment of practical solutions,

through a programme designed to **inspire and advance, faster and further!**
