See and be seen by Hydrogen Business For Climate experts!

Hydrogen Business For Climate is an transnational forum aiming to bring about the **Hydrogen Energy Transition in France and Europe**.

Its mission: to connect stakeholders in the hydrogen sector, public authorities and instructing parties, in order to **accelerate deployment of a hydrogen-driven Europe**.

Stimulate your thinking and boost your business!

A programme at the heart of economic, political and technical news, developed by experts in the sector.

- ✔ Conferences at the heart of international news to keep you informed
- ✔ A series of thematic plenary sessions focusing on the economy/business and technology to compare points of view and debate
- ✔ Collaborative workshops to progress and innovate
- ✔ "In Situ" visits for real-world inspiration
- ✔ Three sessions of pre-organised and pre-qualified B2B meetings and a week of post-event virtual B2B meetings to accelerate
- ✔ A networking evening in the exhibition area
- ✔ An exhibition space to show and demonstrate

3-4 October 2023

400

high-level executives from both the public and private sectors, as well as politicians, academics, influencers and disruptors, will gather together alongside our international experts.

Together they will work towards the same objectives

- ✔ To shed light on hydrogen markets at international level
- ✔ To foster cooperation
- ✔ To initiate and accelerate the deployment of practical solutions

through a programme designed to **inspire and advance, faster and further!**
